"MIGHTY SEVENTH" WAR LOAN DRIVE GETS UNDER WAY

Specifically designed to aid in the full and complete defeat of the Japanese empire, stolen from peace-loving defenseless peoples, the Seventh War Loan drive got off to a flying start in Daly City this week. With \$7,593.75 in "E" bond sales reported for the week of May 7 to 12, total bond sales in this community reached the sum of \$28,035.50 to date.

Walter Lehigh, chairman for this area's bond drive, states that the "Mighty Seventh" really started off with a bang, and far ahead of actual expectations, although there is a terrific amount of work to be done before the full quota is reached.

Chairman Lehigh announced the following committees have been selected to aid in the drive: Mrs. Walter Lehigh, assisted by Mrs. Cecelia Hale and Mrs. Martha Wagner, will contact the business district; those helping in the residential section are—Crocker PTA, Mrs. Anne Eason, Mrs. Vivian Pahlka, Mrs. Eve Hobbs, Mrs. Emma D'Isep, Mrs. Olga Bordson, Mrs. Virginia Davidson; General Pershing PTA, Mrs. Eunice Robinson, Mrs. Sophie Evans, Mrs. Frances Ninstiel, Mrs. Lillian Smith, Mrs. Eda Eickinger, Mrs. Eva Derrick; Woodrow Wilson PTA, Mrs. Katherine Duffy, Mrs. Ethel Saame, Mrs. Hilda Heagney, Mrs. Martha Linden, Mrs. Inez Jones, Mrs. Elsie Hesselein, Mrs. Trappe, Mrs. Julia Petersen, Mrs. Z. Young, Mrs. Irene Williams, Mrs. Louise Darnell, Mrs. Emma Sorg.

Come on! Let's all do our share and co-operate with these patriotic canvassers as they call on us at our homes. They are doing their part—help them by doing yours!

Scouts Rained Out At Camp Boy Joy

Cub Pack No. 141 will meet at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues Friday, May 18 at 7 p. m., with Joe Straughan in charge of the Pack.

Parents and friends of the Cubs will help in the entertainment and the canteen will open around 8:30 p. m. Scout George Ritter will be in charge of the canteen, peanuts and soft drinks.

A number of Boy Scouts and Cub Scouts went out to Camp Boy Joy last Saturday, May 12, but were rained out.

The Coons are back in the window at the Boy Scout Trading Post, 6622 Mission street, for a short time.

Popular Local Grocer Passes Away At San Mateo Hospital Monday Morning

Daly City lost one of her most widely known business men early Monday morning, May 14, when Louis Nich Sholla, 74, co-owner and proprietor of the Philosophy Store, 35 Hillcrest drive, passed away at Community hospital, San Mateo. Death came as a shock to hundreds of friends here, as he had been in the hospital only a few days.

Better known to his friends as Louis Nich, Sholla, with his younger brother, George Nich, founded the Philosophy Store in 1907, gaining a wide circle of friends over the years through his never-failing courtesy, friendly service and uncomplaining generosity. A broken leg suffered some twenty years ago, failed to heal properly and this caused considerable suffering in later years. Despite this, he went about his daily tasks without complaint until a few days ago when a stomach ailment forced him to enter the hospital.

Name Co-chairmen For War Loan Drive

Walter J. Lehigh, chairman for the Seventh War Loan drive, announces the names of the following co-chairmen: Fritz Erickson, manager of the Bank of America, Daly City branch; Stanford Hannah, principal of Jefferson Union High school; R. L. Crane Jr., superintendent of the Jefferson Elementary School district; A. Kloth, manager of the Daly City theatre, and Harold P. Bradshaw, publisher of the Daly City Record, who will serve as publicity director.

Legion Auxiliary To Aid 'Poppy' Sales

Poppy day, to honor America's dead warriors of two World wars, will be held on Friday and Saturday, May 25 and 26, Mrs. Leslie Hanson, president of Daly City Unit American Legion Auxiliary stated.

The little red flowers will pay tribute both to those men who have died for their country in the present war and to those who fell 27 years ago in France and Belgium among the swaying poppies. The money that is received for the flowers will be used to aid the afflicted veterans of both wars and their families.

Extensive preparations for the observance of Poppy Day are being made by Daly City Unit of the Auxiliary under the leadership of Mrs. Leslie Hanson and Mrs. Vivian Pahlka, unit poppy chairman. Everyone in the city will be able to buy the flowers of remembrance from the many volunteer workers from the Auxiliary who will be on the streets all through the day.

The flowers are made of crepe paper by disabled veterans. Making the poppies has helped these veterans keep their minds and fingers occupied, causing the otherwise tedious months to pass quickly and at the same time furnishing the men with a means of livelihood.

This year it is expected that more Americans than ever before will wish to wear the poppies as a salute to the dead soldiers and their bereaved families, and as a financial aid to the living but disabled soldiers and their needy families.

In addition to his brother George, he leaves another brother, Chris Nich Sola, a sister-in-law, Mrs. Mary Sola, a niece, Helen Sola, all of 147 Knowles avenue, and a son, Nicholas L. Sholla, who has been associated with his father and uncle in the Philosophy Store for some time past.

Funeral services were conducted Thursday morning, May 17, at 10:30 a. m. at the W. C. Lasswell & Co. funeral parlors, followed by requiem mass at 11 a. m. at the Greek United Orthodox Community Church of the Annunciation, 245 Valencia street, San Francisco. Interment was at the Greek Orthodox Memorial Park in Colma.

Testifying to the high esteem in which Mr. Sholla was held by his numerous friends and customers was the wealth of floral tributes piled high around the casket during the services.

Jeff High Opens Seventh War Loan Drive

Eva Claus, chairman of the Stamps and Bonds committee at Jefferson Union High school, officially opened the Seventh War Loan drive Monday, May 14 following the speech made by Sergeant Virgil A. Chapek.

Jeff's special seventh loan drive will be held June 5, 6 and 7, but the quota set for the duration of the national drive is \$1,000 a week. During these three days each student is expected to bring in one \$25 bond.

Solemn Novena Will Be Held At Catholic Church

There will be a Solemn Novena in honor of Our Mother of Perpetual Help starting Sunday, May 20 and ending Monday, May 28, at the Church of Our Lady of Perpetual Help, 60 Wellington avenue, Daly City.

This Novena will be under the direction of The Rev. Francis Fitzgerald, C.S.S.R. (Redemptorist Missionary). The Novena program is as follows: Masses—week days, 6:30 and 8:30 a. m.; Sundays, 6:30, 8:30, 10:30 a. m. and 12:15 p. m. Novena devotions each evening at 8 p. m. The Novena devotions will be brief, consisting of hymns and prayers sung and said by all, special blessings, short sermon, and Benediction of the Most Blessed Sacrament.

Confessions will be heard during the Masses each morning, and after each service in the evening.

All the children of the parish are expected to join the Novena, especially by attendance at Mass each morning. The prayers of the children are especially pleasing to God.

Solemn close of the Novena will be Monday evening, May 28. Blessing of Pope Pius XII and procession of the children and benediction.

For many years, the beautiful picture of Our Mother of Perpetual Help has stood here at the shrine of the church named in her honor. In fact, it was here that her devotions were first begun in the Bay area. Since that time only heaven knows the many blessings and graces that fell from Our Lady's hands upon those who knelt in prayer before the picture and pleaded to Her Mother Love.

Our Mother of Perpetual Help will welcome all who come to Her Shrine during these days of the Solemn Novena; for every prayer we say, she will have a grace and blessing for us. In the past, even miracles have been Her answer to the prayer of her children; miracles again will be her answer and surely miracles of grace, if they be necessary to prove Her love and Her mercy.

Ask what you will of Her during these days; hundreds of others will be joining in your prayers. Such confidence and sacrifice will not go unanswered. Be one of Our Lady's missionaries: bring someone to Her devotions.

Going To Sell That Car? Then Read This And ---

All persons advertising used passenger automobiles for sale in newspapers and other publications must include in the advertisement the make of the car, the model year, the model body type, the seller's offering price and the statement that the price is "within OPA ceiling." San Francisco District Director Edward Bennett of the Office of Price Administration announced recently.

The owner of a used car wishing to advertise it for sale, Bennett continued, may obtain its legal ceiling price by phoning his local war price and rationing board, or by consulting the table of dollar-and-cents used car ceilings appearing in maximum price regulations No. 540 on used passenger automobiles which is available at all OPA offices or automobile dealer shops.

Three-Man Group Will Handle Daly City Civil Service Problems

Fire Department Answers Four Calls

Companies 1 and 6 of the Daly City Fire department responded to a false alarm Friday, May 11, at 4:53 p. m. Chief Andrew Chesney, B. Silicani and Arthur Bodien were in command of the answering companies.

Companies 1, 2 and 4 responded to Box 17 at 6:30 p. m., May 11. There was a grass fire at Mission street and Evergreen avenue. Chief Chesney and Arthur Bodien were in command.

Box 37 was pulled at 12:15 p. m., May 13. There was a fire at the New Mission Auto court in Cabin 8.

Box 45 was pulled at 2:20 a. m., May 15. A street car was on fire at Mission and Templeton.

Lieut. Valverde Killed In Texas

Victoriano M. Valverde, lieutenant, 23 years of age, husband of Eudora Jo Valverde was accidentally killed in Texas, May 8. He was the son of Mr. and Mrs. Macdon Valverde, 260 Peoria street and brother of Ruby, Enos, Arthur, Cecil and Ensign Orlando Valverde. He was the nephew of Mr. and Mrs. Joseph Montano of Daly City.

Interment was at the Golden Gate National cemetery, San Bruno, Wednesday, May 16, 1:30 p. m.

Colma Reports Progress In 7th War Loan Drive

John Ferrari, Seventh War Loan chairman of the Colma district reports the sale of "E" Bonds up to May 14 as \$9,562.50. Total sales to date, stand at \$20,062.00.

Mrs. Corinna Bermuda, Mrs. Elda Caravano, Mrs. Fern Robbins and Mrs. Mary Atwood, members of the Home Owners association of Garden Village, are actively assisting the bond drive in Colma by staffing the Women's Bond table in the Bank of America Colma branch four days a week. Mrs. Eda Giusti and Mrs. Margaret Pauline Brown have taken over the other two days.

The Colma committee is as follows: John Ferrari, Seventh War Loan chairman; Leo Graziani, Mrs. Alma Garibaldi, Mattrup Jensen for Colma incorporated; Mrs. Corinna Bermuda, Garden Village, and Mrs. Margaret Pauline Brown, war finance chairman.

Manpower Commission States No Changes To Be Made In No. Calif.

Regarding the statement issued by Chairman Paul V. McNutt of the War Manpower Commission regarding progressive relaxation of manpower controls, Sam Kagel, State Director of the War Manpower Commission for Northern California, announced today that pending receipt of full and complete new orders and regulations no changes of any kind will be made in Northern California as to manpower regulations.

In line with past policy, however, the War Manpower Commission, Northern California, will check new orders when they are received and changes will be made wherever possible. Mr. Kagel said he wished to again remind the public that the war in the Pacific is in many respects just beginning and Northern California constitutes the main continental base for that final effort.

Emery E. Rowley, transportation consultant of 19 West Cavour street; Oliver J. Nolte, electrician of 325 Knowles avenue; and Henry J. Seiler, butcher, of 663 Evergreen avenue were appointed as members of the Civil Service Board of Review by the Daly City Council at the regular meeting Monday night.

The three men, who will serve without pay, were nominated by Councilman Eugene V. Lynch and were voted in unanimously by the council.

Among other more important matters coming to the council's attention Monday night was the first reading of a new franchise, to be granted Pacific Gas and Electric Co., by City Clerk B. C. Ross. This new franchise which provides that one half of one per cent of electricity revenues go to city, as well as one per cent of revenues for gas, may be terminated at any time by condemnation or default. Provision is also made that the city may go into competition against the P.G.&E. at any time it may desire.

No written or oral protests were made against the new franchise at Monday night's meeting. A second reading of the franchise will take place at the next regular council meeting, Monday night, May 28. If no protests are received at this time, the franchise will be granted.

Need for the city to get abstract of property and show status of title to property on which the Daly City Library is located was brought up at the meeting. Original deed to the city by John Daly and the Crocker estate stated that it was donated for use as a library only, and that if used for any other purpose, it was to revert to original owners. When Mission street was widened several years ago, some of the property was supposed to have been cut off.

Although City Clerk Ross stated he did not think original owners were involved in this matter, it was deemed best by council to get an abstract of property in order to show status of title, and it was so ordered.

The council went on record as opposed to the opening of a commercial quarry in the hills east of Hillside boulevard, between Colma and South San Francisco by a Mr. Sorenson. A hearing by the San Mateo County Planning Commission on this matter will be held in the Board of Supervisors offices in the Court House at Redwood City Friday, May 18. Building Inspector Arthur Bodien of this city is a member of the county planning commission.

Mrs. O'Rourke, city librarian, asked the council for two weeks vacation without pay, in addition to the two she is granted with pay, and this petition was granted.

Daly City officials were invited to attend a business meeting of the League of California Cities to be held Thursday, May 17 at 7 p. m., at the Hawaiian Gardens in San Jose. Mayor A. J. Gaggero, Councilmen Howard McHugh, Edward Dennis, Eugene V. Lynch and John Craig and Building Inspector Arthur Bodien will attend.

At suggestion of City Attorney Hoffmann, councilmen voted to discontinue Daly City's membership in the National League of Municipalities. A communication from the executive board of Daly City Employees association, asking to meet with council and discuss civil service with them, was taken under consideration.

Board Gets Orders To Process Older Men

Daly City Draft Board No. 103 has started to process men in the 30 to 34 years of age bracket. The board has been taking men up to 30 years old, but in order to fill new quotas it is necessary to start on the next age group.

Mrs. Isabelle Flynn, chief clerk, has just received these new orders.

Nazis in the Bag

Now that the Allies have some of the biggest of the Nazi bigwigs in their prisoner's bag, there should be as little delay as possible in dealing out to them the penalties for which their inhuman brutalities have so fully qualified them.

It is quite apparent that men such as Goering, von Runstedt, Kesselring and von Papen do not believe they deserved to be punished. All will insist that Germany fought an "honorable" war. There are no indications that any of them have a feeling of remorse for the savageries practised on the conquered peoples and slave laborers.

In other words, these men, and unfortunately many of the German people, are moral idiots. They have lost all sense of humanity and decency. They feel that the end—desire for world domination—justified the means.

Swift justice for the Nazi leaders, as well as for their underlings who carried out the crimes, is necessary to awaken the German people to the realization that the flouting of human rights and the perpetration of fantastic atrocities cannot be gotten away with under the guise of "civilized" warfare.

Quick action and severe punishment should be the first step in re-educating the German people along the lines of decency and democracy.

Henry Kaiser—Home Builder

Henry Kaiser, shipbuilder extraordinary and man of many interests, apparently does not plan to let any postwar grass grow under his feet.

His latest enterprise—the Kaiser Community Homes Organization—will take him into the home building field where he plans mass production at prices ranging from \$4,000 to \$5,000.

These homes, which are to be built only on a community basis, will include automatic dishwashers, electric refrigerators, stoves, and air cleansers. Mr. Kaiser is also said to be planning the inclusion of a health insurance policy with each home sold. This apparently results from the success of voluntary health insurance in his established enterprises and the widespread demand for such voluntary plans.

The houses are to have steel studding and other modern construction materials. While the floor plan will be much the same, each home will present a different architectural design on the outside.

Mr. Kaiser believes that under mass production methods the number of homes built annually in America can be doubled. Well, if Henry can do for home building what he did for shipbuilding, we shall see some interesting developments after the war.

New Cars—No Foolin'

Most of us have heard so much for so long about the when and what of new cars that we find it difficult to develop enthusiasm now that the prospects of auto production are more real than fancied. Of course, that feeling is "subject to change" when we actually see a new car.

News from Detroit indicates that manufacturers expect volume production to get under way late this year, or certainly early in 1946. They certainly can't come too soon since millions of machines are staggering along with one or more wheels "in the junk pile."

At the same time there will undoubtedly be a shift in truck production which will permit the manufacture of more of these vehicles for civilian use.

We wonder what it would feel like to have a salesman try to sell us a car!

Problems at San Francisco

Although encouraging progress has been made at the San Francisco Peace Conference, it is freely admitted that there is still a long and hard road to travel toward the goal of genuine international understanding and cooperation.

Probably one of the biggest drawbacks of the conference, as in all diplomatic and political gatherings, there is too much double talk. Spokesmen for virtually every nation voice exalted desires for world peace. But when it comes to taking the steps which would really contribute to that end, the old national selfishness prevails.

A lasting peace cannot be built out of greed and power politics. Justice, equality and freedom alone can provide a sure foundation.

News From Jeff District Schools

Jefferson

All the classes in our school took notice of the fact that May 13 was Mother's Day by making attractive Mother's Day cards or pictures for their mothers.

The seventh grade held a Mother's Day program early in the week. Whistler's famous painting of his mother was carefully studied and a color reproduction of it was made by every member in the class. Some of the reproductions were remarkably good.

The class also learned how the first Mother's Day came to be celebrated. Very few knew that Mother's Day was started shortly after the Civil War, by an American mother, who was distressed by the bitter hatred between members of families. She organized a picnic to which she invited mothers and their soldier sons. The affair was very successful.

From that small beginning, it became in 1914 a National holiday and is now internationally celebrated.

Woodrow Wilson

On Tuesday, May 8, Woodrow Wilson student body held patriotic exercises commemorating V-E day.

The key note of the program was one of solemn thanksgiving and of expressed determination to work even harder toward the goal of winning the final victory and of the establishment of a just and lasting peace.

The national anthem sung by the student body closed the program. "Down the Yukon River" was viewed by the pupils in Room 4.

Souvenirs of other lands are beginning to make their appearance in Room 8.

The sixth grade saw a sound film entitled, "Harvests of Tomorrow." This film showed how we can enrich worn-out land with minerals put on the land by man.

The boys and girls of Room 12 are finding out about the making of glass after seeing a motion picture about glass makers in Venice.

After learning how glass is made they found it easier to understand why early pioneers had so little glass.

The high fourth in Room 14 has completed the course of study about the deserts of the earth. They found that each desert folk have a favorite animal.

Every Thursday the children of the high fourth and low fifth listen to the Standard school broadcast.

Last week they enjoyed hearing the music of Latin America. They heard music of rumba, tango, geraracha and conga.

Crocker

Last week the students of Room 3 enjoyed a film entitled "Behind the Cup." It depicted the various stages of coffee making from the time the seeds are planted until the coffee is distributed to the stores.

The students of Room 4 are enjoying drawing maps and following the early trade routes.

The pupils of Room 6 have started a new unit, culture, in social science. This unit deals with literature, music, art, theatre and drama, the dance and education.

New Baby

Mr. and Mrs. Wm. A. Shepherd, 467 Hillside boulevard, who have a six year old son named Ronald, are now the proud parents of a daughter. The baby, to be named Barbara Ann, was born on Tuesday, May 8, V-E day.

Mrs. Shepherd is the owner of the Shepherd Specialty Shop, 6389 Mission street.

General Pershing P.T.A. Calls Special Meeting

There will be a special executive board meeting of the General Pershing P.T.A. to be held at the home of Mrs. Eunice Robinson, 223 Irvington street, May 23, 8 p. m. Refreshments will be served following the meeting.

Five members of the General Pershing P.T.A. who will assist in selling bonds during the Seventh War Loan drive are Mrs. Sophie Evans, Mrs. Edna Erickinger, Mrs. Eva Derrick, Mrs. Frances Nens-tiel and Mrs. Eunice Robinson.

"Poppy Breakfast"

There will be a "Poppy Breakfast" at the Benjamin Franklin hotel in San Mateo, Sunday, May 20, 10:30 a. m.

This breakfast will be broadcast over Station KSFO.

NEWS FROM JEFF HIGH SCHOOL

Attend Press Club Conference

Representatives from Jefferson at the Press Club Junior Gang dinner Sunday, May 13, were Barbara Blecher and Verna Moresco.

Some 250 students from all parts of California were in attendance, with luncheon being served to each one.

The traditional "Black Cat" story was told by Jack Hanley, associated with INS.

Guest speakers for the day were Dr. Chen Chih-Mai, Chinese delegate to the conference; Dr. Suratgar, professor of Teheran University, also attending the conference; 19-year-old Marie Etmadie, correspondent representing Iran; and Lucian Avighner, Hungary.

Students were selected from the audience to broadcast on John B. Hugh's program that Sunday afternoon.

The guests having completed their talks, were asked questions by the enthusiastic audience.

Miss Beth Learned, journalism adviser from Jefferson, and Virginia Bhend will be representatives at this Sunday's dinner. General Romulo of the Philippines will be one of the many famous speakers for the day.

CFS

The last social event of the season was held by members of the California Scholarship society Friday evening, May 11, when they attended an evening performance of "Harriett," starring Helen Hayes.

Before seeing the presentation Mr. Gale, guest speaker at the Wednesday, May 9 meeting, talked to the students to give them a better understanding of the play.

Sanford Hannah, principal, was guest speaker at the last meeting. His talk was on scholarships for high school graduates.

Members are planning to attend a Wednesday afternoon matinee performance of "The Desert Song" scheduled for May 23.

Cadet Corps

The High School Cadet Corps, which will meet as a regular class next semester, is looking forward to more recruits.

Many of this year's activities such as rifle practice, under the direction of Second Lieutenants Gordon Berendsen and George McPherson, will be offered next year as well.

Boys wishing further information, or any who would like to sign up, can contact Roy Gale, guidance adviser.

Polka Festival

Practice is now commencing for the Girls' Polka Festival to be held late in the spring. The affair will be held in the evening. Date for the performance has not been set as yet.

Extra features for the evening will be marching and tumbling. The proposed swimming pageant has been postponed until next term.

The entire program will be under the direction of Miss Claire Nace and Miss Ella Redkey, physical education instructors.

Fashion Show and Tea

The Annual Tea and Fashion Show for the mothers of Jefferson students was held Thursday afternoon, May 10. The affair, held in the auditorium and the little theatre, was arranged by Miss Elizabeth Jones. She was assisted by Mrs. Schettler and Mrs. Richards.

Everything from pajamas to sun suits were modeled by the students

Sgt. Chapek Talks To Jeff Hi Students

S-Sgt. Virgil A. Chapek was guest speaker at an assembly held at Jefferson Union High school Monday, May 14, in place of Mamine Sergeant Clem, who was scheduled to speak.

S-Sgt. Chapek of Hutchinson, Minnesota, was awarded the Distinguished Service Cross, the Nation's second highest award to a soldier and the Purple Heart, for his outstanding display of determination, endurance and devotion to duty under intense enemy fire.

As a member of an advance patrol whose mission it was to knock out some German 88-mm guns emplaced in fortified hillside positions, Sergeant Chapek was moving ahead when intense fire from enemy artillery, mortars, machine guns and small arms pinned down the patrol.

A shell fragment knocked him unconscious and wounded him seriously in the foot. On regaining consciousness, though unable to walk, he crawled to each of his men, applied first aid to the wounded, reorganized them, and had them dig in.

Though nearly exhausted and in intense pain, he crawled 700 yards to his platoon leader and reported his squad's location and condition.

The citation states that his action was an important factor in his company's success, and that he refused to be evacuated until his men had been cared for.

The wounds he received in that brief period of combat hospitalized him for four months.

Of his four years in the Army, he spent 17 months overseas with the famed 34th (Red Bull) Infantry Division. He has been awarded the Combat Infantryman Badge for exemplary conduct in action.

His mother, Mrs. Rose Chapek, lives at 570 Bluff street, Hutchinson, Minnesota.

CHECK AND DOUBLE CHECK!

There are two outstanding advantages of a TENPLAN checking account:

First, check convenience. When you have a TENPLAN account you can pay your bills by mail. There is no more need to waste precious time or gasoline running around to pay them in person.

Second, double check safety.

For this is really a double advantage. You need not carry a lot of cash on your person, risking loss or theft, and you need never worry about paying a bill twice. Your canceled TENPLAN check is a valid receipt. TENPLAN checks are 10 for \$1 at any branch—small cost for this modern service. Start your TENPLAN account without delay.

Jeff Hi P.T.A. Sees Fashion Show

The Jefferson Union High P.T.A. held their regular meeting, Thursday, May 10, in conjunction with Woodrow Wilson and Colma units.

The Salute to the Flag was led by Mrs. Ruth Rowley, president of the Colma P.T.A. The Collect was read by Mrs. Elsie Hesselein, president of the Woodrow Wilson P.T.A. A short business meeting was held and was presided over by Ida Hanley, president of the Jefferson Union High School P.T.A.

Immediately following the meeting, a fashion show was held and the girls, under the direction of Miss Jones, modeled clothes for every hour of the day and night, beginning with pajamas and ending with sport clothes. The garments were well made and really worth seeing. Under the direction of Miss Redkey and Miss Nace the girls performed folk dancing.

Following the fashion show, tea was served in the little theatre. Everything was made and served by the girls under the direction of Miss Jones and her assistants.

Mrs. Ida Hanley, outgoing president was presented with a beautiful bouquet of roses, gift of Mr. and Mrs. Parodi.

After the tea came the triple installation with Mrs. Stella Jensen the installing officer for the three units, Jefferson Union High school, Woodrow Wilson school and Colma.

Following the installation the outgoing presidents turned over their gavels to the new presidents: Mrs. Ida Hanley to Mrs. Tina Hol-

PLAN AHEAD FOR 194X LIVING...

Washday work banished by...

Automatic Washer—Tumbler Dryer—Ironer

You will no longer dread washday with its boring, back-breaking work when the 194X Home Laundry machines do your work. You will fall in love with them at first sight. You will love them for the labor they will save you.

First is the Automatic Washer. You put the soiled clothes in the machine—set a few knobs or dials. Then it washes, rinses, damp-dries all by itself.

Second is the Tumbler Dryer. You put the damp-dry clothes in this machine, set a dial and turn a knob and clothes are gently warmed bone-dry as they tumble about in a metal basket.

Third is the Ironing Machine. You would never do without one of the new speedy ironing machines once you use one. You sit down to iron pillow cases, shirts, towels... everything with professional skill.

In your Home of Tomorrow, provide space and Adequate wiring for these three work-saving wonders for the home. Soon after complete victory is won they will be available. Put them down on your must list.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Lyle Earl Van Der Werff, 18, fireman, first class, USN, of Daly City, recently arrived at the Naval Training station Norfolk, Va., to undergo training for duties aboard a new destroyer of the Atlantic fleet. He recently completed a period of training at the Naval Training center, Gulfport, Miss.

Van Der Werff is the son of Mr. and Mrs. Andrew Van Der Werff of 1135 Brunswick street. Before enlisting in the Navy, he was employed by the Bethlehem Street corporation. He graduated from Jefferson Union High school.

With the 33rd Division in the Philippines—Pfc. Frank A. Bruzone, Daly City, has been awarded the Combat Infantryman's Badge for exemplary conduct in action against the Japs. He has been awarded previously the Expert Infantryman's Badge, given for meeting the highest standards of the American infantryman.

Pfc. Bruzone, who entered the army in 1942, has been overseas for over a year. He is now with the 33rd Division fighting the Japs in Northern Luzon.

Fort George Wright, Washington—Pfc. Louis P. Gemma has reported to the AAF Convalescent hospital here after 17 months in the Southwest Pacific theatre.

Pvt. Gemma served as a communications specialist with the Army Air Forces Communications system. He wears the Asiatic-Pacific ribbon.

At Fort George Wright, near Spokane, one of several convalescent hospitals of the AAF Personnel Distribution command, Pfc. Gemma will engage in almost any desired hobby or activity of his choice, from a study of the classics to sheet metal work, all planned to further his "decompression" from the strains and tensions of combat. Experience has shown that individualized treatment received in a convalescent hospital greatly shortens the time required for the combat veteran to again attain the highest state of overall fitness.

Pfc. Gemma is the son of Mr. and Mrs. Steffino Gemma of 262 Miriam street, Daly City, and the husband of Mrs. Louis Gemma.

Master Sergeant Hugh H. Smith jr., former member of the Daly City council, surprised his family Sunday, May 13, Mother's Day by arriving at his home, 300 Evergreen avenue.

His wife, Evelyn and daughter Laurie, age 2½ years did not know that he had been a patient at Letterman General hospital for a few days. While in the Southwest Pacific he had contracted a fever, and had been returned to the States for treatment. After a few days here he will be transferred to a hospital in the south. He lost quite a bit of weight, but is gradually gaining some of it back.

Frank Continola jr., former resident of Daly City, has been promoted to machinist mate 3-c. He is now serving in the South Pacific with the Seabees and was in the Aleutians for 13 months.

United Air Lines Has Openings For Women At Airport

Several openings for women exist at the San Francisco Airport, United Air Lines announces.

These are permanent jobs in the essential industry of air transportation and offer advancement possibilities in the postwar future of air travel.

Needed today at the Airport are typists-clerks, stenographers, file clerks, stock clerks, women guards, and mailroom helpers.

Working conditions at United Air Lines are pleasant, and you work in one of the most modern offices on the Peninsula. Fellow employees at United are noted for their congeniality and cooperation.

Transportation to the S. F. Airport is convenient—buses stop at the gate of United Air Lines. The airline recently opened a modern cafeteria for its employees. Employee benefits include vacations with pay, insurance protection, periodic wage review, and a retirement plan.

Apply in person at United Air Lines, San Francisco Airport, Bayshore Blvd. at San Bruno Ave., or 421 Powell Street, San Francisco.

Five Jeff Lads Win Places In Peninsula Finals

Jefferson Union High school tracksters scored seven points in each of two sections of the four division Peninsula Athletic League track finals last Friday at Stanford University. The Indian 110s finished fourth while the local 130s wound up in sixth place.

Final point scores of these two divisions were:

110s—San Mateo 19½; Sequoia 18½; Burlingame 14; Jefferson 7; San Jose 6; Palo Alto 1; Lincoln (San Jose) 0.

130s—Sequoia 43; San Jose 27¾; Burlingame 21½; San Mateo 19½; Palo Alto 9½; Jefferson 7; Lincoln 3¾.

None of the four Indians who entered the 120s finals succeeded in placing in their various events, while the local school was eliminated in the preliminaries of the unlimited division two weeks ago. Lincoln copped the heavyweight section with 48½ points, with Palo Alto second with 41½. Sequoia won the 120s with 37½ points with San Mateo second with 34. The Redwood City school won top honors of the meet, copping first honors in two of the divisions, with a point total for all four sections far above that of any other school.

Clay Thompson of the Indian 130s tied for first place in the pole vault with Matraga of San Jose at 10 feet, 1¾ inches. Gene Somers accounted for the remainder of the locals' points in this section with a third in the high hurdles and a fourth in the low hurdles.

In the 110 division, Jefferson placed two men in the broad jump.

County Tax Rate Shows Increase In '43-'44

San Mateo county's \$1.1235 per \$100 tax rate for general county purposes for this fiscal year shows an increase of 5.35 cents from the \$1.07 rate for 1943-44, California Taxpayers' association stated today, analyzing tax rate changes based on study of the budgets of the counties for the current fiscal year.

The amount budgeted for salaries and wages in the county made the local county tax rate go up 15.7 cents; for capital outlays, up 5.8 cents; for reserves, up 0.2 cents. Carryover surplus kept the tax rate down 11.5 cents. Change in valuation caused a decrease of 2.7 cents.

Hot Twin Bill Slated Sunday At Marchbanks

Daly City diamond devotees are buzzing with anticipation this week. Sunday, at Marchbanks park, they have scheduled for them one of the really outstanding twin bills of the year.

At noon, Young Christian Workers and Campi's Tavern will ring up the curtain in a regularly scheduled "Big Rec" league game. At 2:30, Harry Maloney's popular Longshoremen will cross bats with the San Francisco U. S. Marines in a game that will probably be one of those "dog eat dog" affairs from the very start until the last out is recorded.

This is two thirds of last week's postponed program. The other game scheduled for last Sunday, a morning affair, had to be cancelled completely because one of the contestants, Turf Club of San Bruno, is entering a league in its own area this Sunday. Another game at another diamond has been arranged for Buzz Shamrocks by Al Erle, and everybody including "Pop" Smith, genial caretaker of Marchbanks park, is happy.

Sunday's 2:30 game will bring together two clubs of opposite characteristics, each highly popular with Daly City fandom. The San Francisco Marines are just about as colorful a team as can be found in the Bay area these days. They combine a highly developed team play with a never quit hustle that has boosted them to top place in the 12th Naval District's National league.

There are no really outstanding stars in the Marines lineup—but headed by popular and colorful Sgt. Don McShane, they refuse to give up until the last out is marked down in the score book. The Fort Scott Army team found that out a few weeks ago, when the Marines trailing 5 to 0 at the start of the ninth inning, pushed six runners around the bases for a highly spectacular 6 to 5 decision.

On the other hand, the Longshoremen depend more on the individual ability of a galaxy of semi-pro stars Maloney gathers together each Sunday. Needless to say, Harry will have all the boys on deck this Sunday. He knows he will need them.

The heat should be on Sunday, right from noon. Both Young Christian Workers and Campi's Tavern are down in the lower part of the "Big Rec" league standing. Both need the win to put them back in the running for their league title, while another defeat will serve to more or less eliminate one of them from any further consideration for the loop title. Consequently both clubs will have their strongest lineups on the field when the game gets under way.

The other four games of the "Big Rec" league slated for Golden Gate Park diamonds last Sunday were also postponed and will be played this week. Schedule of these four games is:

Diamond No. 1—12:15—Federal Outfitting Co. vs. Shipfitters; 2:30—Gordon Realtors vs. Western Pipe and Steel.

Diamond No. 2—12:15—Regal Pale vs. Frank Newman Co.; 2:30—Paul's Fountain vs. Laundry Workers. Grosso Music draws the bye.

Mother's Day Tea Proves Feature For Scouts, Brownies

Brownie Troop No. 10 and Girl Scout Troop No. 13 held a Mother's Day tea, at which a fly up and investiture ceremony took place, Monday, May 14 at the Colma Community Center building, Dunks street.

Delores Lagomarsino, Mary Jane Coffey and Lenore Mejia were the Brownie Fly Ups.

Pauline Griffin, Betty Bauer, Loraine Cecchi, Lani Strong, Ila Baker, Carol Lee Hobson and Carol Donaldson were the Girl Scouts invested.

First class badges were awarded to Joan Vittori and Shirley Van Vliet for passing a number of required tests.

Second class badges were presented to Dolly Benning, Barbara Beck, Joan Hughes, Claudia Rowley, Carol Lee Hobson and Carol Donaldson.

Year pins were presented to Claudia Rowley, Barbara Beck, Dolly Benning, Joan Hughes, Joan Vittori and Shirley Van Vliet.

Refreshments were served and

Girl Scout Troop No. 12

The committee members of Girl Scout Troop No. 12 took charge of the meeting which was held Thursday, May 10, at Recreation hall, 101 Parkview avenue. Mrs. Lena Banfield, leader, had to attend another meeting and was unable to be present.

Women's Civic Club To Meet May 24th

The Women's Civic club will hold its regular meeting at the home of Mrs. Julia Byrne, 6241 Mission street, Thursday, May 24, 8 p. m.

Following the meeting Mrs. Byrne, hostess, will serve refreshments.

enjoyed by approximately seventy-five mothers, friends and members. Cake and cookies that were served at the tea were made by Carol Lee Hobson, Ila Baker, Lani Strong and Betty Bauer who received credits towards their homemaking badge.

A program given by the members included a tribute entitled "What Mother Means to Me," written and presented by Carol Donaldson. Carol Benedetti did two tap dances and Delores Lagomarsino played an accordion selection.

Mrs. Rowley, Mrs. Thornton and Mrs. Van Vliet, leaders of the Brownie and Girl Scout troops wish to thank all the mothers for their grand co-operation.

Interest in Local School Election Aroused by Rowley, Comer Contest

Voters of Jefferson Union School districts will go to the polls Friday, May 18, to select two members of the board of trustees of San Mateo Junior college; two members of the board of trustees of Jefferson Union High school and one member of the board of trustees of Jefferson Elementary School district.

Polls will be open at three Daly City elementary schools, Woodrow Wilson, Crocker and Jefferson from 7 a. m. to 7 p. m. Voters may cast their ballots in all three elections at these places.

In addition, residents of outlying sections of the Jefferson Union High School district may vote for high school and junior college trustees at the following places and times:

Rockaway Beach school from 2 p. m. to 6 p. m.; Sharp Park school from 12 noon to 7 p. m.; Bayshore school from 1 p. m. to 7 p. m.; and Brisbane school from 9 a. m. to 7 p. m.

A fair amount of interest has been aroused among voters of the Jefferson Elementary School dis-

trict by the only contest on the entire ballot—the two-man race for Elementary School Board trustee between Emery E. Rowley, transportation consultant, of 19 West Cavour street, and L. H. "Larry" Comer, hardwood floor contractor of 159 Santa Cruz avenue.

The two men this week concluded a spirited campaign for the place vacated by the decision of Police Judge Wm. J. Sweeney not to run for re-election, and both are confident of victory. Rowley stated he was seeking the office "solely in the interest of the children of the district," while Comer said "My only interest will be in serving for the betterment of the community as a whole."

City Clerk E. A. Weisenburger of Colma and Mrs. Pearl Jones, present members of the high school board of trustees, are unopposed for re-election as are Carlton W. Herrmann and Col. Chas. N. Kirkbride, both of San Mateo, present incumbents of the junior college board of trustees.

Frank's "76" Juniors Win First Game

The junior baseball team sponsored by Frank's Union "76" Super-Service stations won its first game last Saturday morning at Ocean View diamond when it defeated St. Michael's Juniors 8 to 4. Although the St. Michael's players were 17 and 18 year old high school players, the younger Union "76" lads outplayed them all the way.

Members of the Frank's Union "76" team are Richard Dale, 15 years old; Sam Aiello, and Jerry and Jack Rehe, 14; John Matzek, Jim Whalen and Lefty Goodnol, 13; and Billy Lyman, Donald Woodard and Joe Mahan, 12.

A number of games are now being scheduled. Manager Aiello said this week. Although most of these games are with teams from the southern part of San Francisco, efforts are being made to book contests with other teams from Daly City and Colma. Manager Aiello can be contacted either at 127 Wilson street, or through sponsor Frank Rehe at Frank's Union "76" station next to the Daly City Theatre at Mission and Flornoy streets.

Repairing Leaky Brick Walls

When a brick wall admits rain or moisture due to deterioration of the mortar, the defective mortar joints should be repointed. The entire wall then can be painted with waterproof paint for added security, plus appearance.

HIGHLIGHTS OF 1944

from the
General Electric
annual report

EMPLOYEE EARNINGS UP. The average G-E employee earned \$2,772 in 1944. Employees also shared \$234,000 in Suggestion Awards. Top award was \$2,000 for an idea that speeded production of G-E gun control for the B-29. G-E employee suggestions aid the war effort.

4735 WAR VETERANS HIRED. By the year's end 4735 returned service men and women were working at plants of General Electric and affiliated companies. 2986 were former G-E employees. On December 31, 1944, a total of 50,228 employees of General Electric and affiliates had entered the armed services.

FOR VICTORY—BUY AND HOLD WAR BONDS

JET PROPULSION. General Electric developed the world's most powerful engine for the world's fastest plane—the G-E jet propulsion engine for the Lockheed P-80 "Shooting Star." It is over twice as powerful as previous models produced for the Army Air Forces.

234,732 STOCKHOLDERS. Ownership of the company was divided among more stockholders than ever before. Dividends were \$1.40 per share—same as 1943 and 1942, less than 1941 and 1940. Net income was less than 1940, while sales billed were 3 1/4 times greater.

PRODUCTION INCREASED. For the fourth successive year, General Electric turned out record quantities of war goods despite an average of 2 per cent fewer employees. G. E. produced over 8,000,000 horsepower of ship propulsion turbines for the Navy in 1944.

NEW DEVELOPMENTS. G-E research and engineering played a part in such recent developments as radar, silicones, jet propulsion, rocket weapons, remote gun control for the B-29 "Superfortress," the A-26 "Invader," and the P-61 "Black Widow."

Girl Scouts Of Troop No. 3 Hold Mother's Day Tea

Girl Scout Troop No. 3 held a Mother's Day tea Friday afternoon, May 11, from 3:30 to 5 p. m. The tea was planned and served entirely by the girls themselves and quite a few of the mothers attended. Among those present were

Mrs. Eva Boyle, Mrs. Mildred Morgan, Mrs. Cora Hagglund, Mrs. Hilda Heagney, Mrs. Virginia Neumann, Mrs. Vera Coonrod, Mrs. Antonette De Bello and Mrs. Hazel Keagle and the two troop leaders, Mrs. Elsie Hesselein and Mrs. Ethel Proschold.

Corsages were presented to each mother as she entered the door by Barbara Hesselein. Tea was poured by Loretta De Bello, and chocolate milk was served to all the children by Viola Proschold. These three girls are now working for their Hostess Badges. Cakes

were made by the following girls: Barbara Schramm, Joy Hagglund, Loretta De Bello and Viola Proschold.

A program, beginning with a flag ceremony, with Dorothy Boyle and Beverly Keagle as color bearers and Sue Helen Coonrod and Barbara Schramm as color guards, was presented. A song entitled "Mother" was sung by the entire troop; a violin solo, "The Rose of Tralee," was given by Viola Proschold and last, a play entitled "A Girls' School," written by one of the scouts, Joyce Morgan, was pre-

sented by several of the girls.

Following the tea, each mother was presented with a sewing bag made by the girls during the past few weeks. These girls deserve a lot of credit for this work as it was quite a project for the youngsters and they did a splendid job on them.

A Court of Awards was also held, at which time a new Scout, Joy Hagglund, was invested into the troop, and the girls who had passed their required tests were presented with their badges. Second class badges went to Loretta

De Bello, Beverly Heagney, Barbara Hesselein, Beverly Keagle, Jean Murphy, Josephine Murphy, Joyce Morgan and Viola Proschold. Cook badges were awarded to Loretta De Bello, Barbara Hesselein and Viola Proschold. Service pins for 15 hours of war work went to Sue Helen Coonrod and Barbara Schramm, and a white ribbon for 30 hours of war work was awarded to Beverly Heagney. At this meeting each girl was presented with her new registration card for the year beginning April 1, 1945.

News From Local OPA Board

President Truman speaks on OPA in Washington, D. C. "I want to say a word of deserved commendation for an organization which has been subjected to much criticism in recent weeks. I refer to the OPA. Probably no other government agency comes into such intimate contact with every citizen during wartime.

"Our price control and rationing machinery enters into every home and affects directly the daily life of the housewife and her family. Naturally, things must be done which displease many people. No businessman, no farmer, no merchant likes to be told how much he can charge for his wares. No housewife likes to be told that she may have only a limited supply of meat, or sugar, or canned goods with which to feed her family.

"As the war proceeds toward a victorious climax, shortages become more acute. The requirements of our military and naval forces are great. We must supplant the economic resources of our fighting allies, such as Britain, Russia, China, and France, who have suffered great devastation in this war. We must do our part in helping to prevent anarchy, riot and pestilence in the areas liberated from Axis domination. These requirements place a greater and greater strain on our resources.

"I suppose that OPA, like the rest of us, has made a few mistakes, but when we look at the whole record I think that our Price Control and stabilization program has been one of the most remarkable achievements of this war. Had it not been for OPA and the stabilization program we should have had runaway inflation. In other countries, runaway inflation has sown the seeds of tyranny and disorder. In this country, we have kept inflation under control. OPA has helped to make it possible for our fighting men to come home to a stable and prosperous economy.

"Our price control and stabilization program could not have been successful without a good law and good administration. Congress has given us a good law and I hope Congress will extend that law for at least another year.

"OPA has been well administered. Its thousands of employees and hundreds of thousands of volunteer workers in local price and rationing boards have worked faithfully for long hours doing difficult jobs. Many able men from business and other walks of life have patriotically contributed their services to OPA, often at distinct financial sacrifice.

"Irresponsible criticism should not be permitted to break down the confidence of the people in an essential wartime program and a hard-working wartime agency."

Sugar situation acute: The OPA was informed by War Food Administration officials that sugar supplies are at rock bottom and that it would be necessary to cut allotments for civilian use all along the line.

As a result of this directive, Stamp No. 36, good for five pounds of sugar, will cover a four-month period instead of three months as previously announced. Sugar for home-canners is reduced to a maximum of fifteen pounds per family member and the largest allowance for any one family is cut from 160 to 120 pounds.

Institutional users of sugar, such as bakeries, restaurants, hotels, etc., will find their allotments reduced by percentages ranging from 16 to 30 per cent, depending on the type and kind of business.

Healthy Scalp

For a healthy scalp and lustrous hair, beauticians still recommend the old-fashioned "forty strokes at bedtime" with a good hairbrush as the best beauty treatment. A shampoo is required every week or so, but brushing should be a daily habit—and, the experts add, with a clean brush. It is not enough to run a comb through the brush to remove hair. The hairbrush should be washed often with soap and water to cleanse the bristles and the frame which holds them. After a thorough sudsing, rinse the brush in clear water, tie a string around the handle and hang it to dry, preferably in the sun. Wash the comb, too, using rich, lukewarm suds.

Early Settlement

Colmar, which lies along France's Rhine border with Germany, was settled as early as 823 under the Roman name Columbarium.

Draft Board Girls Give Birthday Party For Dolly Jackson

A birthday party in honor of Mrs. Dolly Jackson, city court clerk, was given in the City hall Saturday, May 12, after working hours, by the girls of the Draft Board.

They had a large birthday cake made for her with "Happy Birthday" on it. Lovely refreshments were served at the party. She was the recipient of many nice gifts from Mrs. Isabel Flynn, Lorraine Lavagnino, Elsie Olcese and Mary Olcese.

Belgium Economy

Only one-third of Belgium soil consists of good arable land. While the Danes deliberately switched their agricultural production from a diversified activity to dairy and poultry, entirely abandoning cereals, the Belgians have continued to produce all kinds of agricultural products without, however, succeeding in being self-sufficient in any sector. Before the war, they had to import four times as much wheat as they produced. They had to import rye and barley. They imported three times as much oats as they raised themselves.

Pressure Supports Roofs

Roofs can be supported by mere air pressure. Tests on a 12-foot diameter laboratory model of a 500-foot diameter structure indicate the possibility of using thin, steel sheets for a roof erected flat and then expanded and raised at the center by air pressure of perhaps 40 pounds per square foot. After the original forming, the pressure required to hold the roof would be only about 1-7 pound per square inch, hardly enough to be noticeable.

Public Installation Held For Officers Of Hillcrest Circle

Hillcrest Circle No. 143, U. A. O. D., held public installation Monday, May 14, in the Blue Room at Masonic temple, 17 Hillcrest drive.

After the public installation, a buffet dinner was served to over 60 people, including members and friends. The table was prettily decorated with spring flowers. Macaroni salad, hot-dogs, buns, coffee and cake were served.

Both the outgoing and the incoming officers wore white evening gowns with pretty cor-

sages. All the officers received beautiful gifts and members of Hillcrest Circle presented a beautiful bouquet of flowers to the new president, Mrs. Jennie Milo.

Mrs. Grace Hill and Mrs. Violet Hauptli installed the following officers: arch druidess, Jennie Milo; first bard, Frances Stuehl; second bard, Florence Morris; conductress, Bernice Perata; assistant conductress, Helene Bernardi; inside guardian, Ann Cerf; outside guardian, May Milo; re-

cording secretary, Grace Hill; financial secretary, Lillian Pezolla; treasurer, Janet Marsh; auditors, Mary Crane, Clara Poket and Dora Holmberg; trustees, Catherine Foreman, Minnie Bernardi and Mrs. Bellando; chaplain, Winifred Evans; pianist, Mrs. G. Gehringer; junior past arch druidess, Mary Baker and district deputy, Catherine Foreman.

Music was furnished by Johnny Dell and everyone reported having a wonderful evening, enjoying both the music and dancing.

It is money which this government asks you to lend—at interest—not to give. This year the government demands a greater investment in "E" bonds—the people's bonds—than ever before. One reason for this is that there will be only two drives this year instead of three as before. Another is that idle money in the pockets of the American people will bring inflation unless that money is invested.

Marines To Have A Full Schedule

The baseball team representing the San Francisco U. S. Marines will be a very busy set of hombres this week especially for a team with a two-man pitching staff, which is the Marines status at present.

Three games, two at the home diamond at Marchbanks park, and the third at Oakland, will keep the two Marine hurlers, Sgt. Duplinski slender right hander and eccentric "Lefty" De La Hunt, toiling long and hard on the mound.

The big week got underway today (Thursday, May 17) with a league game at Marchbanks diamond with the Mare Island Navy Yard nine furnishing the opposition. This game was postponed from the day before because of rain and wet grounds.

Sunday, at Marchbanks diamond, the Marines will cross bats with Harry Maloney's Longshoremen, in a contest slated to start at 2:30.

Wednesday, May 23, the Marines will journey to Oakland for a league contest with the Oakland Naval Supply Depot nine. This team gave the Marines quite a battle in the opening league game a few weeks ago, before accepting an 11 to 8 defeat.

More than anything, the Marines want to put all three games on the winning side of the ledger. They are now in first place in the 12th Naval District's National league, and want to stay there. A victory over the Longshoremen, Sunday, will be a boon to the Devil Dogs, who are slightly behind even in their non-league contests to date.

Although Sgt. Don McShane, manager and coach of the team, has not made any definite choice of pitchers for these games, it is considered likely that Duplinski will get the call in the two league games, with De La Hunt starting against the Longshoremen.

NEWS OF OUR MEN and WOMEN IN UNIFORM

John Kollman, father of Pfc. John C. Kollman, Infantry had the honor of receiving the Bronze Star Medal, May 7 at the Presidio for him.

Pfc. Kollman received a citation for heroic achievement in action against an armed enemy at an undisclosed destination, January 8, 1945. Kollman established a forward observation post at a location which was subjected to intense enemy fire. When enemy tanks were sighted, he assisted in calling for artillery fire only 50 yards from his position and as a result, the tanks withdrew. When Pfc. Kollman's company was attacked by the enemy in force, he remained at his post until death or capture was imminent. His courageous and daring action in the face of hopeless odds was a great inspiration to his comrades and is in keeping with the highest traditions of the United States Army.

Kollman who is in a hospital in England, is recuperating from malnutrition and diphtheria which he contracted. He lost 40 pounds but is slowly regaining his health. Over a Berlin short wave radio station on April 2, it was reported that he was a prisoner of war. People all over the eastern states picked up the news and wrote letters or cards to his parents. He was released from the prison camp on April 5.

Pfc. Kollman lived in Daly City about four years with his parents at 162 Parkview avenue. He is a graduate of Jefferson Union High school. Kollman has two brothers, one of whom Jerrold graduated from Jefferson in January, 1945, and is now going to the Purser Hospital school, in Sheepshead Bay, New York. Jerrold enlisted in the Maritime Service before his graduation but was given his diploma in January. The other brother Glen will graduate this June. Private Kollman also has four sisters who are attending the Woodrow Wilson Elementary school.

T-5 Glen Goode who has been home on a furlough visiting his mother, Mrs. Zaida Goode, 183 Los Olivos avenue has returned to Camp Crowder, Missouri, where he is stationed.

He is with the supply department of the Signal Corps and was recently promoted from Pfc. to T-5. Glenn is a graduate of both the Woodrow Wilson elementary and Jefferson Union High school.

Kills Grub

Heel fly larvae, commonly called "warbles" or "wolves," may be controlled by injecting about 20 drops of commercial benzol into each hole made by them in the cow's hide. The benzol kills the grub. A small oil can has been found suitable for injecting the liquid into the holes. Benzol is highly inflammable and should not be exposed to fire of any kind.

License Jeeps

Iowa is one of the first states to classify the license status of the jeep, the much publicized army vehicle which civilians in increasing numbers desire to own. If owned by a civilian, the jeep in Iowa is classified as a commercial vehicle subject to truck license laws. The cheapest license for a jeep costs \$15, which means that the vehicle can be operated up to three tons' gross weight. As a truck, the jeep must carry three flares and be equipped with reflectors on each side and at the rear.

Security Organization

One of the most ambitious efforts at international organization before World War I was the second Hague Peace conference of 1907, called by Czar Nicholas II of Russia at the suggestion of Pres. Theodore Roosevelt to establish international co-operative machinery for the prevention of war.

Southern pine is one of the most plentiful species of trees used in the manufacture of wrapping paper and bags.

Only A Few Pay Traffic Fines

There were only a few fines paid by traffic offenders at the City court Friday, May 11, with Judge William J. Sweeney presiding.

The following paid fines for speeding: Carol Jaeger \$5; Kathryn Conlogue, \$5; and Elinor Mathewson, \$7.50.

Kenneth Carlson, Gunnard Johnson, Lester Markey, each paid a fine of \$2.50 for going through a signal.

Overnight parking fines were paid by L. Gouin, \$1; O. J. Ozzie, \$2; L. Ruiner, \$2; Mr. Weiford, \$1; C. Frisk, \$1; E. J. Le Moine, \$2; and A. Gardner, \$1.

For allegedly being drunk in a public place Alex Bystrom, 161 Peoria street, forfeited bail of \$10 by non-appearance. William Coyle sr. and William Coyle jr. of The New Mission Auto court, forfeited bail of \$10 each, by non-appearance in court.

William Winegard was fined \$25 for disturbing the peace. The judge suspended \$15 of the fine and the defendant paid \$10.

William Addiego Addresses Eagles Lodge

William Addiego of the Calvert Distillers corporation gave an interesting talk at the regular meeting of the Colma Vista Grande Aerie No. 1848, F.O.E., Thursday, May 10, at 8:15 p. m.

His speech was based on self denial, which will have to be practiced by the American people for the duration as far as liquor drinking is concerned, because alcohol is vitally needed for war purposes.

New Babies

Mrs. Lorraine Berg, 127 Templeton street, became the happy mother of a 7 lb. 5 oz. baby boy born Thursday, May 10, 8 p. m. at St. Mary's hospital. The baby is to be named David Michael. Mrs. Berg before her marriage attended Jefferson Union High school.

A 5 lb. baby girl made her appearance on Mother's Day, Sunday, May 13, at Mary's Help hospital. The happy parents are Mr. and Mrs. Bob Tucker. Bob Tucker is in the Army and is now in Germany.

Sea Scouts To Meet At Skipper's Home

Members of Sea Scout Ship No. 144 will meet at the home of their skipper, Mel Battye, 141 Acton street Friday, May 18, 7:30 p. m. Plans are rapidly being made to move into a new location in a week or two. Any boy over the age of 15 years interested in joining the Sea Scouts may come to this meeting and register. The boys are eagerly looking forward to the Sea Scout cruise which will take place around the middle of August.

O.D.T. Warns Of Critical Facilities In Transportation

An appeal to Pacific Coast residents in large cities and rural communities "to vacation close to home and not travel except in cases of absolute necessity" was made today by the Office of Defense Transportation in a reminder that the end of the war in Europe now means "full redeployment of armies and war materials to the Pacific."

ODT said that organizations, the military, public and private groups from Canada to the Mexican border are being asked to acquaint "every man, woman and child" with facts about West Coast transportation requirements "which clearly show the need to preserve space for military and essential travel."

For example, ODT cited that while there has been "a slight easing of coach space, which at any time may be pushed suddenly against the ceiling, sleeping Pullman accommodations are tighter than ever in railroad history."

"Out of a total of 6,830 Pullman sleepers, the armed services are using regularly over 4,030 of these cars. As military needs become greater, even regular line Pullmans are taken. Of the 2,800 Pullman sleepers remaining in regular line use, 1,120 are held for government or military reservations up until train time. On some western roads, the proportion is even greater. This means that up to train time only 1,680 Pullman sleepers are actually available for civilian travel in the entire United States as compared with a total of about 7,000 before the war."

"It is no wonder," ODT declared, "that sleeping reservations are hard to get. Everyone knows that after three years hard work and privations, folks now are getting itchy feet to go places. But, we frankly ask them to apply the vacation salve by using local transportation to nearby resorts and recreation areas. Success of the war effort to beat the Japs needs the help of everyone in continuing to avoid inter-city vacation travel."

Emydian Officers To Attend Meeting

The officers of Emydian Institute No. 154, Y. L. I., will attend a conference meeting at Half Moon Bay, Wednesday, May 23, at 7:30 p. m.

The Institute is holding a raffle Tuesday, May 22, to raise funds to buy a chaplain's kit for a chaplain in the service.

The get-together committee is planning a wiener roast to be held in the early part of June.

Red Cross States Blood Donor Units Remain In Service

San Francisco's Blood Donor Center and Mobile Units will remain in full operation until the war ends, without any change in quota of whole blood or plasma needed to save the lives of fighting men in the Pacific.

The announcement that San Francisco has been selected as one of the eleven Red Cross centers in the United States to remain open to procure vitally needed blood donations for Pacific operations was contained in a telegram received last week by Col. Charles C. Quigley, director of the San Francisco center, from Basil O'Connor, national chairman of the American Red Cross. The selection was made on the basis of San Francisco's strategic location in relation to the Pacific war and its outstanding blood procurement record.

Since its opening in November, 1941, the San Francisco Red Cross Blood Donor service and its three mobile units has procured up to May 8, 1945, a total of 637,803 units of blood plasma and 35,060 units of whole blood for the Army and Navy. O'Connor's telegram revealed that the overall requirements for whole blood and plasma have been reduced.

"Through the hundreds of thousands of San Franciscans who have been giving their blood to the armed services since 1941, the cessation of hostilities in Europe means that our job is only partly done and that we face a bigger task than ever in providing life-saving blood for our men in the Pacific war," Colonel Quigley said. "The whole blood and plasma that we in San Francisco give today means there will be that many

Girl Scouts Entertain Mothers

On Saturday, May 12, at 12:30 p. m., Girl Scouts of Troop 1 served luncheon for their mothers. The girls planned the menu and prepared the food, kept an account of the cost of the food and the length of time it took to prepare it.

The luncheon consisted of finger rolls filled with tomato, egg, lettuce and mayonnaise filling, crackers spread with deviled ham, jello with sauce, coffee, cake and candy. The decorations were carried out in the "Mexican" theme. In the center of the table was a rock garden with varieties of cacti, and Indian dolls standing in the rocks, and individual cactus favors for each of the guests. The place cards carried out the same theme. The mothers were presented with gifts from their daughters. Janet Reynor dressed in a Spanish costume served at the tables. During lunch several girls serenaded with a song in Spanish.

The entertainment for the after-

noon was relay games and a novelty spelling bee with wig-wag signals. Although the girls came in first in the relays, the mothers were a close second. The spelling match ended in a tie, proving the mothers to be very capable spellers. The girls were thanked for the lovely luncheon, and after the enjoyable games, the mothers felt at least ten years younger.

The mothers of the girls who enjoyed the afternoon were: Mrs. M. Kruse, Mrs. G. Mejia, Mrs. M. Prescott, Mrs. H. Marsh, Mrs. J. Smith, Mrs. H. Leach, Mrs. Ghiselin, Mrs. G. Quickert, Mrs. A. Reynor, Mrs. J. Calvin, and several younger brothers and sisters.

The girls have now completed another activity toward their Cook Badge, which is the badge the troop is now working on.

"OFF THE BLOTTER"

Mrs. Querner, mother of Jo Beth Querner, phoned the police department and asked help in getting her daughter to the hospital. Officer A. Benassini responded and took her to the Alemany Emergency hospital where she was treated for a bad cut on her right hand.

The manager of the Bank of America phoned the police department and said that Fred X. Walker, 85 years of age, 503 Capitol avenue, seemed very bewildered and could not remember where he lived. Officer George Savage drove him around Ocean View until he finally recognized where he lived.

On May 11 Mrs. Bennett, 301 Niantic avenue, complained to the police department that some children were pulling down the fence and destroying property at 268 Los Banos avenue. The children generally stay around the place between 5 and 6 p. m. Officers were asked to be on lookout while patrolling.

May 11 an unknown woman phoned the police department saying there was a grass fire at Mission and Evergreen. Officers R. Benedetti and R. Petrocchi responded.

Mrs. A. Foscanini, 130 Templeton, phoned the police department that there was a prowler in her backyard. Officers R. Beecher and J. Welsh responded but found no one.

On May 13, Carl G. Stohl, 1503 Dolores street and Ivan McDaniel, 50 San Pedro road were involved in an auto accident at Market and Mission streets.

Mr. Schrieber phoned the police department that a car belonging to Walter J. Anderson, 226 Capitol avenue rolled down Knowles avenue and came to rest against the corner concrete post on the property line at 49 Knowles avenue. Property damage was very light. Car was removed to Daly City garage.

Richard S. Blanton, 78 Hillcrest drive phoned and said that a car had run down Vendome avenue and hit side of house. Car belonged to William W. Wittenberg, 139 Clear Lake Highland. The car was placed in the Daly City garage and owner notified.

A painter working for the Stone-son project, Hillside boulevard notified the police department that on Thursday, May 10, some-

one entered a warehouse and took 50 gallons of kerosene and a box containing complete set of carpenter tools and on Friday evening, May 11, someone entered the building opposite 274 Hillside boulevard and took a 110 lb. can of white putty and a 20' extension ladder.

On May 14, Fred P. Harder, 64 Los Olivos avenue and Marcel F. Dessault, 255 Station avenue were allegedly involved in a fight on a Greyhound bus. Dessault received a cut over right eye and was taken to Alemany Emergency hospital in police car by Wm. Bolger and Officer R. Petrocchi.

On May 15, Officer George Savage brought in an old blue bicycle that had been left at the Jefferson Union High school about three weeks ago. No name plate or serial number was on bike.

Mrs. Banfield of 180 Los Olivos phoned the department and said some boys were digging a very deep hole in a vacant lot. It had caved in completely burying Lawrence Schmitte, 180 Los Olivos avenue. He was rescued by a sailor and another person who were passing by the lot.
